Career Objective

Looking for a position of a dietician in a company where my abilities and skills are needed for the growth of the company

Educational Background

BS Human Nutrition

Northumbria University, 2005

Work Experience

2007-2010: Chief Dietician, ABC Hospital

Responsibilities

- Prepare diet plans for special clients and patients with sensitive health conditions
- Collaborate with the canteen crew and chef regarding daily menus for patients
- Interview select patients with nutritional deficiencies regarding their condition
- Devise plans on how to incorporate more nutritious food into patients' meals
- Train and supervise junior dieticians

2007-2010: Junior Dietician, ABC Hospital

Responsibilities

- Assist chief dietician with interviews and menu planning
- Helped prepare menus for assigned patients
- Performed other duties as assigned

Achievements

- Registered at the Health Professions Council as a licensed dietician
- Graduated with highest honors from the university
