Career Objective: I would like to work with a highly professional and technical organization. I aim to utilize all my experience and skill for the mutual growth of my employer and myself.

Professional Experience:

2006 – 2010: XYZ Company, Alma, Georgia

I am working here as a technical architect. My job profile includes improving the existing design so as to reduce the interdependence of various levels of the organization. I also designed new automated systems and implemented them.

2003 – 2006: ABC Company, Alma, Georgia

I worked as a Junior Technical Architect. I assisted in designing systems and also worked on implementation and maintenance.

Qualification:

1998 – 2001: BS in Electronics and Communication – Georgia State University, Georgia

2001 – 2003: MS in Electrical Engineering – New York State University, New York

Technical Knowledge – SCWCD Certification, SCJP certification, SCBCD certification

Achievements:

I have received the Best Employee Award in the year 2009.

Hobbies:

- Golf
- Chess
