Career Objective: I aim to be a part of highly competitive and professional team committed to operation, maintenance and implementation of goals.

Professional Experience:

2007 – 2010: XYZ Company, Palmdale, California

I am working here as a technical support. My job profile includes writing and editing of e-commerce sites and website projects. I also resolve technical issues related to software or hardware support. I also purchased, evaluated and installed service packs, hardware components and operating system upgrades.

2004 – 2007: ABC Company, Palmdale, California

I worked as a Web Programmer. I assisted in solving technical issues. I also edited website contents.

Qualification:

1999 – 2002: Bachelor of Science in information Technology – California State University, California

2002 – 2004: Master of Science in computer science – Arizona State University, Arizona

Technical Knowledge – Diploma in Web Programming and Database Administration

Achievements:

I have individually handled trouble-shooting projects.

Hobbies:

- Reading
- Chess

- Golf

Reference:

I will provide required number of references on request.
