Mobile No: (320) 877-7331

Telephone Number: (888) 279-6922

Career Objective: To perform the job successfully, by respecting and implementing the policy of the insurance company.

Professional Experience:

2006- 2007: attended a professional underwriter course during last semester.

Underwriter Objectives:

- Underwriting and pricing various accounts in accordance with underwriting standards.
- Monitoring hit ratios, production and other quality measures.
- Using the knowledge of all of ICAT's products.
- Performing website training.
- Gathers market data for new markets while working with the Peril. Their common goal is to identify new production opportunities and scan competitor activity.
- Mentors less experienced underwriting staff.
- Complies with underwriting standards and passes both internal and external audits.

Qualifications:

2004- 2007: Bachelor Degree in Engineering (Computer/Telecommunication) – University of Minnesota, USA

Achievement:

Participated at the annual ARCS National Board Meeting; held in Minnesota 2006. At this event the National Board unanimously voted me as the Applicant of the Year, because of meeting membership goals and other requirements!

Hobbies:

- Reading
- Computing
